SALARY PROCEDURES - MANAGEMENT

1. Salary step advancement will be automatic on July 1, as prescribed by "time in step" on the schedule. Individuals will be given credit for a year's advancement if they have served at least one-half plus one day of the regular employment year.
2. Any person being promoted will be assigned to the Pay Grade called for by the new position. Placement in the new Pay Grade will then be made on the appropriate step that will ensure that the employees receive an increase in pay.
3. New employees and former employees being rehired shall be placed in the initial salary step of the appropriate Pay Grade. The Board may grant additional salary steps for special skills and/or unique experience that is directly job-related. Requires the Superintendent's signature.
4. Certificated management employees in positions requiring a teacher's certificate shall be eligible for sabbatical leave. While on sabbatical leave they shall be paid 65% of their regular salary. They shall retain privileges, which they would have had, had they been in active service. They must meet the requirements of R.S. 17:1187.
5. Certificated management employees in positions requiring a teacher's certificate shall be subject to the tenure policies of the Board and tenure laws of the State and/or the Administrative Contract policies of the board and Administrative Contract laws of the State.

Management Salary Procedures (contd)

6. Only the Board shall have the right to change the Pay Grade assignments of positions. The annual position review process shall be followed except in special circumstances requiring individual action.
 - a. All new positions shall be reviewed by the Human Resources/Personnel Services Committee for initial Pay Grade assignment as they are created. (Per job description).
 - b. Pay Grade reassignments for special circumstances shall be in writing to the Superintendent for appropriate division with detailed justification, prior to May 15. The Human Resources/Personnel Services Committee shall review these requests if recommended by the Superintendent of Schools prior to June 30.
 - c. The Superintendent shall have the right to request Pay Grade reassignment. Changing responsibilities and other factors pertinent to the position shall be considered. To the extent possible the time schedule in paragraph 6 b. shall be followed.
7. Employees involuntarily reassigned to a lesser position will be placed on the same step of the lower Pay Grade. In cases of short-term promotions (1 year or less) that do not work out and the employee is reassigned to the old position, then placement will be on a step the employee would have enjoyed, had the promotion not been made.

Management Salary Procedures (contd)

8. When in the best interest of the school system, an employee who is asked to fill a lower position vacancy and who does so voluntarily shall have their salary frozen at the current rate until the grade and step on the schedule for the lower position reaches the frozen salary amount.
9. Person requesting reassignment to a lesser position will immediately be placed in their new Pay Grade on the same step in which they are presently assigned.
10. Employees who are placed in a temporary position (acting or appointed substitute) exceeding six (6) weeks will receive a regular promotion as outlined in Rule No. 2. Such promotion is effective for the term of the appointment only and shall be retroactive to the first day of service in the temporary position and upon completion of this term, the employee shall return to their regular grade and step. A step increase will be granted in the regular grade, if applicable.
