HOW SHOULD I, OR MY CHILD'S TEACHER, USE THESE RESULTS?

The scores and ratings will be used to help teachers identify students who need additional support or more challenging work in each subject area. The information will also be used to measure how well schools and school systems are helping students achieve higher expectations.

As a parent, you can use the test results to guide a discussion with your child's teacher(s) about additional supports or enrichment that may be needed in class and at home.

HERE ARE SOME SUGGESTED QUESTIONS TO ASK WHEN DISCUSSING THE RESULTS WITH YOUR CHILD'S TEACHER(S):

- Where is my child doing well and where does he or she need improvement?
- What can be done in the classroom to help improve his or her area(s) of weakness?
- What can be done to appropriately challenge my child in areas where he or she exceeds the expectations?
- How can I help support my child's learning at home?
- How do we ensure that my child continues to progress?
