

# Zachary Community School District

## Strong Start 2020 Funding

**As of June 30, 2021**

**Program:** Strong Start 2020

**Purpose:** Since Louisiana's school facilities first closed in response to the COVID-19 pandemic, school systems and the Louisiana Department of Education (LDOE) have worked together to ensure that all students have access to continuous learning.

- To ensure a strong start in 2020-2021 and the continued implementation of school systems' strong academic plans, the Department has outlined planning priorities to support quality and consistency of instruction, access to continuous learning, and safe, healthy facilities during periods of a school facility closure or modified operations
