About Parent Command Center

The Parent Command Center is a web-based portion of our JPAMS student information system that allows parents to login securely and view information about their child's attendance, discipline, class conduct, schedule, report cards, curriculum and assignment grades. To establish an account, parents are required to login to the Parent's Command Center and register as a new user. The required fields are Last Name and Social Security Number. This is the **PARENT'S LAST NAME** as reported to the school and the **LAST 5-DIGITS OF THE STUDENT'S SOCIAL SECURITY NUMBER.** After registering, parents will access information using their username and passwords.
