ZHS Parents/Guardians (10th, 11th and 12th Grade Students),

In order to support continued ACT practice and preparation, the Zachary Community School District has enrolled 10th, 11th and 12th grade students in the **ACT Online Preparation (AOP) program**. The program provides flexible/personalized learning paths, thousands of practice questions, two full-length tests and online or mobile app access.

Students have received an activation email from noreply@onlineprep.act.org. After setting up their individual accounts, students can access this resource at <https://onlineprep.act.org/> by logging in with their “Zachary email address” and the password created during account activation.

If students need login assistance, please email Karin Lawless at karin.lawless@zacharyschools.org with the subject line “**ZHS ACT Online Prep**”.
