

Zachary School and Community State Championship Covid Protocol Announcement

This Saturday, the Zachary High School Broncos will travel to the Superdome to take on Ponchatoula High School in the 5A State Football Championship. Besides having a ticket to enter the game, the Superdome also requires that every individual 12 years and older who enter the Superdome have proof of a COVID-19 vaccination, a negative PCR Test (within 72 hours), or a negative rapid test. We want Bronco nation to be well represented at the Dome!

We have partnered with MedComp Sciences, a Zachary-based Medical Laboratory, to offer a COVID-19 test for anyone interested in attending the 5A Championship game and needs a test. The federal CARES Act requires your insurance to provide coverage; and you will incur no cost for the test. If you are uninsured, the test will be covered through the CARES ACT
