July 20, 2023

Dear Zachary Families,

Welcome to the 2023-2024 school year!

We are excited and looking forward to welcoming our students to school on Wednesday, August 9th. We know that you are busy preparing for this day and for the upcoming school year. This message is to ensure that you have easy access to important district information that can assist you throughout the school year.

Our district theme for the 2023-2024 school year is “Building on Success Together.” To continue our path of success and improvement, it takes a team. The support that we receive from our families and community, is immeasurable. We are here to support you by keeping our families informed. Working together ensures that your child/children achieve at their highest level, truly enjoy their school day, and remain safe and secure.

Please see the link below to visit our ZCSD Parent Resource Dashboard on the Zachary Community School District website. Everything that you will need before and throughout the school year is located there. If there are any additional questions that you have or if any other assistance is needed, we encourage you to reach out to your child’s school, to our main office, or to our “Ask the District” feature on the website.

Thank you for helping us to continue building on success together!
